PROFESSIONAL SUMMARY

Strategic and results-oriented professional focused on aligning technology with organizational objectives to drive innovation. Specialist in ERP system administration (SAP Business One), datacenter management, digital platform development, and infrastructure maintenance. Proven experience in implementing technological solutions that enhance operational efficiency, digital security, and data-driven decision-making.

HABILIDADES Y APTITUDES

- Strong Values
- Leadership & Initiative
- Perseverance
- Strategic Decision Making
- Data Transformation into Actionable Insights
- High Technical Proficiency
- Focus on details
- Software Development
- Problem Solving & Critical Thinking
- Assertive Communication

PROFESSIONAL EXPERIENCE

07/2025 - 12/2025 • Mid Support Agent- L2
USA, Remote

RELISH

- Resolved complex technical incidents, serving as the primary liaison between the initial support team and the development department.
- Conducted deep-dive investigations into software malfunctions and integration issues to provide definitive solutions.
- Prioritized clear and empathetic communication with clients to ensure technical needs were met with agility and professionalism.

Tecnologías

- AWS Diagnostics([DynamoDB](#), [S3](#), [Cloudwatch](#))
- [Azure DevOps](#) and [Hubspot CRM](#)

05/2025 - 07/2025 • Front-End Developer (Freelance)
GT, Remote

ZIENGO

- Led the end-to-end development of a mobile app interface using Flutter, achieving a pixel-perfect replica of Figma designs.
- Collaborated closely with the backend team for service integration and developed new features under an organized Git structure

- Mobile dev in [Flutter](#), [dart](#)
- [Github](#), [Git](#)

02/2025 - 04/2025 • Customer Support Representative II - Trilingual (Portuguese)
GT, Remote

TELUS DIGITAL

- Completed intensive technical training in English for the Wix ecosystem, specializing in design, domains, and e-commerce modules.
- Mastered advanced editor tools to ensure site functionality and high-quality user experience.

- [Wix Editor](#)
- [SEO](#)
- [CMS](#)
- [E-commerce](#)
- [Email marketing](#)
- [+15 sites managed](#)

11/2019 - 05/2024 • IT Manager
GT, On-site

IPQ GROUP

- Led the creation and consolidation of the IT department from scratch, managing infrastructure, servers, backups, VPNs, and perimeter security.
- Administered SAP Business One (modules, reports, databases) and provided technical support across all departments

Key Achievements:

- Founded the IT department and implemented the entire technological infrastructure.
- Documented IT processes in collaboration with the Quality department.
- Developed a web application for logistics purchase order management.

- [SAP Business One](#)
- [HANA Studio](#)
- [Crystal Reports](#)
- [Office 365 \(tenant\)](#)
- [SQL Server](#)
- [Windows Server](#)
- [Active Directory](#)
- [Linux SUSE](#)
- [Firewall \(Fortinet\)](#)
- [VPN](#)
- [Back-Ups](#)

- Designed 40% of the SAP reports used by the Accounting department.
- Configured and renewed 80% of computer equipment due to obsolescence
- [Train staff](#)
- [Technical Support](#)
- [Documentation](#)

EDUCATION

- In-Progress** • **Postgraduate in Software Design and Development** (M.S. in Computer Science)
[Galileo University](#)
- 12/2025** • **Postgraduate in Artificial Intelligence** (M.S. in Computer Science)
[Galileo University](#)
- 01/2017** • **IB.S. in Systems Engineering, Informatics and Computer Science**
[Galileo University](#)

CERTIFICATIONS

- [FortiOS Administration & Security Basics](#) (April 2022 - SISTECO)
- [FortiOS Administration & Security Advanced](#) (April 2022 - SISTECO)

TECHNICAL SKILLS

Artificial Intelligence:

- [Pytorch, Tensorflow](#)
- [Tokenization, Embeddings, Transformers](#)
- [Image processing, Computer Vision](#)
- [ETL Pipelines, Feature Engineering, Data Cleaning](#)
- [LLMs, API Integration, GenAI](#)

Infrastructure and Ops:

- [SCRUM](#)
- [Virtualization](#)
- [Operating Systems](#)
- [Network Infrastructure](#)
- [Cybersecurity](#)
- [Office Suite](#)
- [Back-End and Front-End Development](#)

PROGRAMMING LANGUAGES

- [Java](#)
- [Python](#)
- [PHP](#)
- [Javascript](#)
- [Dart](#)
- [SQL](#)
- [HTML](#)

LANGUAGES

- [English](#) (Professional Proficiency)
- [Portuguese](#) (Intermediate)
- [Spanish](#) (Native)
